Dear Deputy Prime Minister,

Thank you for joining us for our Annual Meeting 2013. Your active engagement, together with all of the communities of the World Economic Forum, energized the dialogue and debate in Davos this year.

I would particularly like to thank you for your insights on Israeli politics following the recent general elections, as well as the steps required for a peaceful resolution of the Israeli-Palestinian conflict.

We are grateful for your continuous support of the World Economic Forum.

Yours sincerely,

Børge Brende
